UAF North Campus Subcommittee Meeting September 14, 2016 Notes

Attendees: Nick, Mark, Ken, Kara

Public: Stan Justice

Manager Report:

- o All committee members renewed, thanks everyone.
- Smith Lake Connector will be constructed in winter 2016/2017 as soon as ground frozen enough to drive on with equipment. Jason and I met with

- DDC and decided that using contractor would be to our benefit. Contractor says they can complete the work in 1-2 days.
- Jason and I will be working to update GIS and all research projects locations compete with metadata, probably starting in the spring to avoid adding
- Summer Trail Maintenance from Jason
 - Clearing trails and removing deadfall fr snowstorms. Over 100 trees came down next to or over the trails.
 - Clearing drainages.
 - Fixing signs and map displays
 - Working on blocking off areas where atvs have been or could be accessing.
 - Standard mowing etc.
- o ') '7' @ led around compost pile.
