

Tuesday Tips is a new outreach effort by OGCA. The idea behind **Tuesday Tips** is to convey tips, tricks and other helpful information around the area of research administration. Our goal is to post on (almost every) Tuesdays. If there is something you would like to **see** eredon **Tuesday Tips** email: <u>UAF-GCReATE@alaska.edu</u> For more Tips visit <u>OGCA webs</u>ite

Final Technical Reports

A final technical report is due within 90 days of the end of the award for most federal awards. The report length and content vary depending on sponsor. Such reports range from a brief summary and list of publications to a complete, exhaustive compilation of the project results.

The PI is responsible for the submission of all technical reports required under the terms of an award in the form required by the sponscopyAof the final technical report should be sent to OCGAthe PI or department for record retentionat the time it is submitted to the sponsor.

Failure on the part of the PI to deliver any required technical reports or deliverables to the sponsor in a timely manner may affect the collection of funds for the poject and future funding from that sponsor to the University.

Technical report submission processes by sponsor:

Department of Defense (DOD)
