The den in he program are from lo -income familie here nei her paren ha recei ed a baccala rea e degree and ho e familie mee income g ideline. The program arge La hrop High School and he Effie Kokrine Char er School and help den i h high chool academic and financial aid applica ion . S den recei e a i ance in preparing for college e am a ell a college life. Ser ice incl de kill b ilding, oring, ad i ing, and c l ral and career-ba ed field rip . The program i free of charge for eligible par icipan .

The fir par of he program a i high chool den in heir academic and e po e hem o po econdar ed ca ional oppor ni ie . The foc i on ma h, labora or cience, compo i ion, li era re, and foreign lang age. Ad i ing i offered o enco rage den o grad a e from high chool and enroll in college. A econdar program elemen i a mmer componen held on he UAF camp . Thi in en i e i eek program incl de co r e ork, field rip , and a arie of ac i i ie bo h ocial and c l ral.

In an effor o be er er e den a he high chool le el ho are in ere ed in college, IAC ha beg n offering he Tech Prep program, f nded hro gh he U.S. Depar men of Ed ca ion' Ti le III program. Tech Prep offer high chool den college credi for co r e ha are mainl oca ional in na re. Tech Prep

incl de cor e in area cha elding, con r c ion, a ia ion, and applied b ine. The Tech Prep program ork i h local high chool and chool di ric a ell a he Depar men of Ed ca ion o de elop he program cor e. Upon high chool grad a ion, a Tech Prep den ill ha e made ignifican progre

Addi ionall, an Occ pa ional Endor emen in Rene able Energ i nder de elopmen. The co of energ in Ala ka, par ic larl r ral Ala ka, i ignifican. There i ne in ere in he de elopmen of rene able energ infra r c re in Ala ka and an e panding arra of f nding oppor ni ie for ch projec from a e and federal program. A arie of ea heri a ion and rene able energ gran and loan program are a ailable for indi id al. A a re I, he de elopmen of ne co r e ork in rene able energ ha been recogni ed a an impor an par of he ba ic CTT elec rical c rric I m. In he coming ear, a Rene able Energ cla room ill be b il in For Y kon, leading he a o meaningf Il addre he po en ial of r ral comm ni ie o embrace grea er energ independence.

The Ed ca or: Para-Profe ional program (EDPA) i de igned o prepare den o ork in cla room a i ing eacher. The program mee andard e abli hed b he No Child Lef Behind Ac, a ell a andard de eloped b he S a e of Ala ka for eacher aide. The c rric I m empha i e chool pro ocol, cla room me hod, managemen, and a e men. In r ral Ala ka, eacher aide are of en he mo able elemen of he chool ed ca ional aff. EDPA ill prepare den for emplo men and impro e he kill of ho e c rren I emplo ed in ario ed ca ional e ing. Grad a e can con in e heir ed ca ion and ork o ard a Bachelor of Ar in Elemen ar Ed ca ion.

The Ala ka Tribal Technical A i ance Cen er (TTAC) a mo ed o IAC in 200⁻ i h he help of a gran from he U.S. Depar men of Tran por a ion Federal High a Admini ra ion.

TTAC pro ide Tribal go ernmen in Ala ka i h a i ance in f lfilling ed ca ional and echnical need i h he goal of impro ing ran por a ion infra r c re in Ala ka. The program offer bo h orkforce de elopmen and managemen raining program, incl ding he Ala ka Road Scholar Program (ee belo). The cen er pro ide a ke link o he er ice of he Ala ka Uni er i Tran por a ion Cen er (AUTC) and he federal Local Technical A i ance Program (LTAP) loca ed in Fairbank. TTAC pro ide informa ion hro gh ne le er, local cla e, ork hop and indi id al con eling.

The Ala ka Road Scholar Program (ARSP) promo e deli er of ran por a ion-rela ed raining o e i ing and po en ial r ral Ala ka orkforce par icipan. The ran por a ion ne ork in r ral Ala ka i r l m li-modal, and incl de radi ional air, road, and ri er/marine em a ell a non-recrea ional ATV and no machine rail, board alk /board road, ea onal acce ro e, and pede rian facili ie. The ran por a ion em pro ide a cri ical link o emplo men a ell a o o her illage infra r c re ch a clinic, chool, Tribal office, and comm ni b ilding. Thi comple ne ork req ire a rained orkforce o ac a Tribal or m nicipal program manager, a ell a a killed aff o con r c, opera e, and main ain he e facili ie.

The Ala ka Road Scholar Program i an Occ pa ional Endor emen cer ifica ion hro gh IAC ha deli er ran por a ion-rela ed raining o e i ing and po en ial r ral Ala ka orkforce par icipan . To da e, ARSP ha reached o er 150 den from 5 r ral Ala ka comm ni ie .

Enrollment

On a erage, IAC enroll 400 o 700 den each eme er. Thi den pop la ion incl de all den recei ing in r c ion and er ice from IAC regardle of heir degree program loca ion. For e ample, ome IAC den are enrolled in degree program ba ed in Fairbank or Anchorage, b comple e general req iremen a IAC. Abo 35 percen of 2008 IAC den ere enrolled in program a o her UA camp e.

S den enrollmen a IAC i mea red in o a : headco n and den credi ho r (SCH). Headco n mea re he n mber of den enrolled in an n mber of cla e , hile SCH acco n for he n mber of co r e credi each den i aking. For e ample, en den aking one hree-credi co r e each i reflec ed b a headco n of 10 and o al SCH of 30. Ten den aking 12 credi each (f II- ime) i reflec ed b a headco n of 10 and o al SCH of 120. Wi hin he higher ed ca ion arena, SCH i con idered he more acc ra e mea re of a chool' prod c ion and i more clo el a ocia ed i h i re en e ream. Bo h mea re ill be pre en ed in he follo ing ec ion .

Enrollment Trends

O erall, IAC enrollmen declined b — percen from FY 2000 o FY 2008. From FY 2000 o FY 2004, enrollmen had increa ed ignifican I d e o increa ed gran f nding and fa orable enrollmen policie. Ho e er, in FY 2005, enrollmen dropped ignifican I . According o IAC admini ra ion, he major fac or in decrea ed enrollmen a rela ed o an increa e in he co of raining cla e for local chool di ric . Thi pe of raining a organi ed and deli ered b local chool di ric b den ere enrolled and recei ed credi hro gh IAC.

IAC' onl role a o pro ide college le el accredi a ion for he cla e . IAC picall recei ed a fee of \$35 o \$55 per den . A polic change b UAF in 2004 req ired ha IAC charge f II, per credi ho r fee (\$90 in 2004 and \$99 in 2005) for he chool di ric cla e . Thi i able increa e in fee re I ed in a eep decline in enrollmen for he e pe of cla e .

Secondaril, eak economic condi ion led o a decline in enrollmen for per onal in ere core.

Enrollmen remained able be een FY 2005 and FY 2008 a abo 1,100. The follo ing able pre en 10-ear rend informa ion for den enrollmen.
