

The UAF Faculty Senate passed the following at Meeting #172 on February 7, 2011:

**MOTION:**

The UAF Faculty Senate moves to adopt the following changes to the readmission of academically disqualified students policy described in the *UAF Catalog* (below):

Effective:      Fall 2011

Rationale:      Current catalog language is too vague to be helpful to faculty and staff in advising students who have been academically disqualified. It also provides no benchmarks to measure a student's suitability for readmission.

As always, students with extenuating circumstances could request special consideration for readmission. Exceptions to the policy could be made per professional judgment of the Dean, Registrar or Provost/Vice Provost at the request of the student's Advisor.

UAA currently requires completion of 12 credits for readmission to any level program, but is considering a change in their policy to allow readmission after 9 credits. UAS requires raising cumulative GPA to 2.0 for readmission, regardless of the number of credits required to get there.
