Guidance on Faculty Senate Elections 2018:

1. Elections and election procedures are the responsibility of the units, subject to the Bylaws of the Faculty Senate. Click [here](#) for Faculty Senate Bylaws.
2. The Dean/Director's office is expected to administer the elections. A summary sheet of the senate positions and vacancies specific to each unit has been included with the election memo and attachments.
3. The Dean/Director may not "appoint" anyone to the Faculty Senate; this is the prerogative of the faculty. Ask faculty to nominate other faculty for the open seats.
4. **NOT ALL FACULTY AFFILIATED WITH A UNIT MAY PARTICIPATE.** The Dean/Director's office should NOT use its full faculty list. Compile a separate list for Faculty Senate elections.
 - Tenure-track, research, and term faculty **do qualify** for representation on the Faculty Senate and may participate in the election. Adjunct and affiliate faculty and postdocs **do not qualify**.
 - Faculty with joint appointments are represented only through the unit of their primary appointment, determined as follows:
 - Faculty with joint appointment that include an academic unit (tenure-granting) are represented through that unit, and should vote only in that unit's elections. Faculty with joint appointments through two academic units are represented through the unit in which the faculty member is tenured or will be reviewed for tenure, and should vote only in that unit's election.
 - In accordance with these rules, faculty voting in elections at the research institutes are limited to Research Faculty whose primary appointment is in

that unit. There should be no tenure-track faculty participating in elections at the research institutes.
