Discussion - Strategic Pathways Phase 1, feedback, responses

<https://www.alaska.edu/files/pathways/IT-9-15-16.jpg>

Discussion of Strategic Pathways decision (see link) highlighted the following points **(please add or fix if I don't render these points correctly)**:

- Choice to reduce embedded IT personnel as a cost-saving measure may not save much money: following recent cuts, there is no excess capacity. Moving embedded personnel from (td
