ART DEPARTMENT UNIT STANDARDS AND INDICES

THE FOLLOWING UNIT STANDARDS AND INDICES HAVE BEEN DEVELOPED BY THE ART DEPARTMENT IN ACCORDANCE WITH REGENT'S POLICY AND AS INDICATED BY SECTION III, TITLE D: UNIT STANDARDS AND INDICES, UAF REGULATIONS FOR THE EVALUATION OF FACULTY: INITIAL APPOINTMENT, ANNUAL REVIEW, REAPPOINTMENT, PROMOTION, TENURE, AND SABBATICAL LEAVE. THIS DOCUMENT HAS BEEN PREPARED BY COPYING THE ABOVE MENTIONED POLICY, SECTIONS II AND III THROUGH TITLE C AND BY ADDING ELUCIDATION IN BOLD CAPS.

I. PURVIEW

The University of Alaska Fairbanks document, "Faculty Appointment and Evaluation Policies" (hereinafter referred to as UAF Faculty Policies), supplements the Board of Regents policies and describes the purpose, conditions, eligibility, and other specifications relating to the evaluation of faculty at the University of Alaska Fairbanks. Contained herein are regulations and procedures to guide the process of evaluation and to identify the bodies of review appropriate for UAF.

The University, through the UAF Faculty Senate, may wish to change or amend these regulations and procedures from time to time and will provide adequate notice for making changes and amendments. The Provost is responsible for coordination and implementation of matters relating to procedures stated herein.

II. INITIAL APPOINTMENT OF FACULTY

- A. Criteria for Initial Appointment. Minimum degree, experience, and performance requirements are set forth in UAF Faculty Policies, Chapter IV. Exceptions to these requirements for initial placement in academic rank or special academic rank positions shall be submitted to the Chancellor or Chancellor's designee for approval prior to a final selection decision.
- B. Academic Titles. Academic titles must reflect the discipline in which the faculty are appointed and reside within a specific discipline. Units wishing to appoint academic rank faculty within schools and colleges to titles must have the concurrence of the specific discipline in which the title resides.
- C. Process for Appointment of Faculty with Academic Rank. Deans of Schools and Colleges, and directors when appropriate, in conjunction with the faculty in a unit shall establish procedures for advertisement, review, and selection of candidates to fill any faculty positions as they become available. Such procedures shall be consistent with the University's affirmative action policies and shall provide for participation in hiring by faculty and administrators as a unit.
- D. Process for Appointment of Faculty with Special Academic Rank. Deans and/or directors, in conjunction with the faculty in a unit, shall establish procedures for advertisement, review, and selection of candidates to fill any faculty positions as they become available. Such procedures shall be consistent with the University's stated affirmative action policies and shall provide for participation in hiring by faculty and administrators in the unit. These procedures shall be on file in the Chancellor's Office.

or field and preparatory activities, such as preparing for lectures, setting up demonstration, and preparing for laboratory experiments, as well as tutorial sessions, evaluation, correcting papers, and determining grades. Other aspects of teaching and instruction extend to undergraduate and graduate academic advising and counseling, training graduate students and serving on their graduate committees particularly as their major advisor, curriculum development, and academic recruiting. Evidence of excellence in teaching may be demonstrated through, but not limited to, evidence of the various characteristics which define effective teachers.

2. Qualities for Effective Teachers.

Effective teachers are highly organized, plan carefully, use class time efficiently, have clear objectives, have high expectations for students, express positive regard for students, develop good rapport with students, show interest/enthusiasm for the subject, emphasize and encourage student participation, ask questions, frequently monitor student participation for student learning and teacher effectiveness, are sensitive to student diversity, emphasize regular feedback to students and reward student learning success, demonstrate content mastery, discuss current information and divergent points of view, relate topics to other disciplines, deliver material at the appropriate level, regularly develop new courses, workshops and seminars and use a variety of methods of instructional delivery and instructional design.
