

## Governance Office

907.474.7054 • 474-7054

This document has been reviewed by the University, and presents a final version of the Board's recommendations for the proposed changes to the University's governance structure. This document is intended to provide the Board with a clear understanding of the proposed changes and their impact on the University.

The proposed changes include the creation of a new Board of Regents, which will be responsible for the oversight of the University's operations. The new Board will consist of nine members, including the President, the Vice President for Academic Affairs, the Vice President for Student Affairs, the Vice President for Finance and Administration, the Vice President for Research, the Vice President for External Affairs, the Vice President for Institutional Advancement, and the Vice President for Student Life. The new Board will also have the authority to appoint the President of the University and to oversee the University's financial management.

The proposed changes also include the creation of a new Board of Regents, which will be responsible for the oversight of the University's operations.
