

## DRAFT REVISED UAF Baccalaureate Core Curriculum 2010 (CEM Version)

Through the baccalaureate core experience, every UAF student is expected to achieve:

A high level of proficiency in written and oral English – including the ability to construct clearly organized and well-argued presentations in both oral and written form;

An ability to think critically and creatively across all disciplines;

to construct and evaluate mathematical arguments;

The ability to use scientific methods to address problems through inquiry, interpretation, and analysis; make
